

Certificate Scientific Integrity

The undersigned hereby grants the scientific integrity certificate to:

Xiangwen Guan

Leuven, 10/03/2024

The tutorial that you completed to obtain this certificate gave you more information regarding the specific definitions of information literacy, scientific integrity, and plagiarism as understood by KU Leuven and the Faculty of Science. This certificate proves that you have successfully completed the corresponding test and that you thus know why it is important to refer correctly and how to do this.

Dean of the Faculty of Science
